Dear Sir:

Pursuant to the duty of disclosure in 37 C.F.R. § 1.56, Applicants hereby submit under MPEP § 724.02 the documents listed on the attached Form PTO/SB/08a/b. The attention of the Patent and Trademark Office is hereby directed to these documents because they are **SUBJECT TO PROTECTIVE ORDER.**

The documents set forth on the enclosed Form PTO/SB/08a/b have not been submitted or cited in the present application. It is understood that the Office is under no obligation to consider these documents at this time; however, to comply with the Applicants' duty of disclosure and to complete the record, they are submitted. Applicants believe that the documents are in no way destructive of patentability of the allowed claims.

The document numbers 1-8 listed on the attached Form PTO/SB/08a/b are **SUBJECT TO PROTECTIVE ORDER** and should only be viewed by the Examiner or other authorized Patent and Trademark Office Employees. Pursuant to MPEP § 724.02, a copy of each document that is **SUBJECT TO PROTECTIVE ORDER** listed on the attached Form PTO/SB/08a/b is enclosed in a sealed, clearly labeled envelope.

Document numbers 1-8 are from *Scantibodies Laboratory, Inc. v. Immunotopics, Inc.*, currently pending in the United States District Court for the Central District of California, Case No. CV 04-08871 MRP (MANx). Scantibodies Laboratory, Inc. is the owner of the present application. This litigation involves U.S. Patent No. 6,689,566. The present application is a Continuation-in-Part of U.S. Patent No. 6,743,590, which is a Continuation-in-Part of U.S. Patent No. 6,689,566.

Note that information designated by Immunotopics as "Confidential" or "Confidential-Attorneys' Eyes Only" has been redacted from document numbers 7 and 8 on the attached Form PTO/SB/08a/b. This includes the portion of the Points and Authorities in support of Immunotopics' non-infringement motion which references Immunotopics' Confidential information. This also includes text in paragraphs 5 and 7 of document number 8, the Declaration of Jeffrey Lavigne, and Exhibit Z referenced in that text (excerpts from the transcript of the deposition of Lavigne).

The information contained in this Information Disclosure Statement under 37 C.F.R. § 1.97 and § 1.98 is not to be construed as a representation that: (i) a complete search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.

In the unlikely event that the transmittal form is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief (such as payment of a fee under 37 C.F.R. § 1.17 (p)) is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petition and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing 532212000623.

Dated: December 6, 2007

Respectfully submitted,

By
